SENATE RESOLUTION 45
By Cohen

A RESOLUTION to wish our good friend and colleague Clyde McCullough a most speedy recovery.

WHEREAS, Clyde McCullough has served with the greatest acumen, intelligence and integrity as the Chief Clerk of the Tennessee Senate for some 23 years; and

WHEREAS, his outstanding tenure as Chief Clerk truly exemplifies the highest precepts and most noble traditions of public service; and

WHEREAS, Clyde recently suffered an illness, but with the help of God and his loving wife, Jackie, he is now thankfully on the mend; and

WHEREAS, his illness has not only deprived the members of this Body of his pleasant demeanor, but we also are bereft of Clyde's keen legislative insight and sagacious counsel, upon which we have come to rely; and

WHEREAS, to say that Clyde McCullough and his many talents are sorely missed by the Senate is an understatement of immense proportions; and

WHEREAS, Clyde and Jackie have recently repaired to their winter home in Clearwater, Florida to assure Clyde's continued recovery through lavish appropriations of sunshine and fresh citrus fruit; and

WHEREAS, as Clyde wiles away the hours on the sandy beaches of the Sunshine State, his colleagues in the Senate are forced to trudge on through the bleak and dreary days of our cold winter confinement to transact the important business of the State of Tennessee; and

WHEREAS, all 33 members of the Senate heartily concur that we greatly miss Clyde McCullough, both professionally and personally, and wish he was back among his colleagues and friends in the Senate, or that, in the alternative, we could join him on the aforementioned sunny beaches; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, That we wish our good friend and valued colleague Clyde McCullough a speedy recovery and express our most sincere hope that he will return to be with us on Capitol Hill very soon.

BE IT FURTHER RESOLVED, That an appropriate copy of this resolution be prepared for presentation to Clyde McCullough as a token of our esteem.
